WELCOME TO SERES

World Sauces Headquarters

Located in İzmir, Mediterranean coast of Turkey, we are the producer of premium sauces from fresh and natural ingredients. Freshness and natural taste of our products come directly from the fruits and vegetables of our farmlands located near our own production facilities.

Seres manufacturing processes are conducted by trained food engineers following the highest hygiene and quality standards under BRCS (Global Food Safety) procedures in a completely isolated environment.

Since 2010, our **Seres** branded and Private Label products have been highly appreciated by our consumers and trade partners all around Turkey and international markets such as the USA, EU, UK and many more.

We are present in selected retail outlets and online stores, surpassing our customers' expectations with our high quality products, R&D innovations, flexible MOQ and just-in-time delivery capabilities.

Seres is the favorite of Gourmet Chefs and sauce lovers throughout the world.

Spicy, Bitter, Sour or Sweet, **"Welcome to Seres, World Sauce Headquarters"**.
